

I would like to request that our classes end by 3:30 pm instead of 4:20 pm. Since we already spend a lot of time in travel by the time we reach home it is usually around 6:00 pm. With the current schedule we get only 10 minutes to catch the buses which makes us rush. If classes finish a little earlier it will reduce this stress and also give us time to focus on academics. I suggest starting academic classes at 1:00 pm after T-Hub ends at 12:20, with each period lasting 40 minutes. Having four afternoon periods would finish around 3:40 pm, giving students enough time to wrap up and reach the buses comfortably

I would like to request you to leave us by 3:30 instead of 4:20 because leaving at 4:20 gives us only around 10 minutes to reach the buses. By that time most buses are already getting filled and we often struggle to get a seat. If you leave us by 3:30 it will give us enough time to reach the buses calmly. So please I request you to leave us at 3:30

We sincerely request that classes conclude by 3:30 pm instead of 4:20 pm. Our day begins early with long travel followed by continuous T-Hub sessions in the morning and then academic classes after lunch by 3:30 pm we are already fatigued and the last hour becomes less productive. I sincerely request you to leave us by 3:30
